- **Post Video:** you will get the 10 coins for each video post into the application.

- **Watching Video:** ALWAYS STAY WITH US. As you spend your time on application for continuous of 10 minutes without any interruption for 10 minutes then you will get the 10 coins for that but this should be continuous for 10 minutes and also after every 10 min watching coins will be added to your wallet directly.

- **Daily Bonus:** If you regularly check into the application then you will get the 50 coins daily in your wallet.

- **Fan Earning:** As you make video in app and post in application than you will get the fan following if you do well than your fan will donate coins for you and you will get that coins directly in your wallet so this also the best way to earn the coins from the application by your performance you will get that.

- **Referral:** As the name suggests by referring to you Friends, Family and colleagues any person then also you will get some random coin to your wallet.

What is a coin in organic earning ?

A DingDong coin is digital coins which can be converted or redeemed from the application. A minimum of 5000 DingDong Coins must be assigned to and available with a user at the time of any claim for rewards. 1000 DingDong Coins shall entitle a user to a credit of INR 1/- to the users PayTM digital wallet. Company can modify the coin conversion rate at its discretion solely and it will be updated on the app interface.

How can I redeem my coin in Organic Earning?

It is a simple process where you have to click on the redeem coin and add the bank account details and your redeem request will be generated and your payment will be released and it will reflect within minimum 7 working days.

2. Subscription Earning:

This is the earning where you earn coins from a subscription plan and follow the rules which are in plan to earn those coins. In Subscription earning you just have to post your own videos according to the plan you have. A video will be reviewed rather than only your coins will reflect in your wallet and the basic parameter is the video should have relative content, Quality video etc etc.

Also you automatically get the organic earning in it that rules are also applicable in it. Plan details are given in the Application.

What is coin in Subscription earning ?

A DingDong coin is digital coins which can be converted or redeemed from the application. A minimum of 5000 DingDong Coins must be assigned to and available with a user at the time of any claim for rewards. 1000 DingDong Coins shall entitle a user to a credit of INR 1/- to the users PayTM digital wallet. Company can modify the coin conversion rate at its discretion solely and it will be updated on the app interface.

How can I redeem my coin in Subscription Earning?

It is a simple process where you have to click on the redeem coin and add the bank account details and your redeem request will be generated and your payment will be released and it will reflect within minimum 7 working days. On the time of redeem coins a 15% of total coins will be reserved in the in app purchases model. And rest 85% coins will be redeemed and that amount

will be reflected in your Bank account. So your 15% coin will remain there in your wallet for inside use only.

Now Processing fees will also apply on the time redeemasation of coins

For example you have 100 coins in your wallet and then you want to redeem that 100 coins so you will go the redeem coins and there will show the 85 coins because 15% of 100 coins is 15 coin that will be go into the in app purchases mode and rest 85 will be processed and that will reflect in your bank and 15 coin will be in your wallet only for inside use only.
